

## Hello Sunshine

A rising star of the Washington State University apple breeding program, the Sunrise Magic® brand apple is a classically bred cross of Splendour and Gala. Grown exclusively in Washington State, Sunrise Magic® brings striking color, bright flavor, crisp texture and notable juiciness to the table. This beautiful and versatile apple will bring a ray of sunshine to your produce department.

**Set your store apart with  
this special opportunity!**

An exclusive supply of Sunrise  
Magic® apples is available now.
